CALL FOR NOMINATIONS
CHRISTOPHER COLUMBUS FOUNDATION
U.S. CHAMBER OF COMMERCE
2012 *LIFE SCIENCES AWARDS*

The U.S. Chamber of Commerce supports American industry dedicated to protecting human health through the testing, manufacturing and marketing of biomedical products. As scientific innovation of biomedical products begins at the lab bench, the Chamber has partnered with the Christopher Columbus Fellowship Foundation, a Federal government agency, with the mission of promoting and encouraging new discoveries.

This partnership will present the Fifth Annual *Life Sciences Awards* to recognize, through **four** monetary awards, one scientist; one current high school educator; and two current high school students who are judged to exemplify excellence in life sciences.

\$10,000 Distinguished Life Sciences Scientist Award

The ***\$10,000 Distinguished Life Sciences Scientist Award*** will be presented to a scientist who is making or has recently made a significant and positive contribution toward the development of a “cutting edge” innovation in the field of life sciences.

\$5,000 Life Sciences Educator Award

The ***\$5,000 Life Sciences Educator Award*** will be presented to a current high school educator, with at least five years of teaching experience, who demonstrates an ongoing teaching strategy that evidences proficiency in instructing students in the College Board’s Advanced Placement (AP) Biology, Chemistry or other life sciences courses.

\$1,000 Life Sciences Student Awards

Two ***\$1,000 Life Sciences Student Awards*** will be presented to current high school students who are making or have recently made significant and positive contributions related to the study of life science.
